

## Index

Word of Thanks and Appreciation	11
Introduction	13
Methodology	16

### Section I: Air

---

#### Chapter 1

##### Air Pollution

• Introduction	20
• Sources of Pollution	20
• Harmful Effects of Air Pollution	21
• Indicators of Ambient Air Quality in Egypt	24
• Severe Air Pollution Episodes in Cairo Skies	30
• Most Important Indicators of Ambient Air Quality during 2005	34
• State Efforts to Curb Air Pollution Risks	34
• Future Plan 2007 – 2012	36
• References	37

#### Chapter 2

##### Noise

• Introduction	38
• Noise Sources in Egypt and Most Critical Challenges	38
• Noise Levels in Southern Cairo during 2005	39
• Subway Noise Levels during 2004/2005	42
• Harmful Impacts on Man Resulting from Exposure to Noise	44
• Challenges to Noise-Reducing Programs	44
• Efforts of the Ministry of State for Environmental Affairs To Combat Noise in 2005	44
• Future Plan 2007- 2012	45
• References	47

#### Chapter 3

##### Climate Change

• Introduction	48
----------------	----

• Threats Facing Egypt Due to Change in Climate	48
• Egypt's Role Vis-à-vis the Climate Change Issue	49
• Clean Development Mechanism	51
• Future Plan 2007-2012	54
• References	55

## Chapter 4

### Protection of the Ozone Layer

• Introduction	56
• Chemicals Destructive of the Ozone Layer and their Classification	56
• Environmental and Health-Related Harms Resulting from Ozone Depletion	57
• Egyptian Program for the Protection of the Ozone Layer	57
• Future Plan 2007 – 2012	60
• References	61

## Section II: Water

---

## Chapter 5

### Fresh Water

• Introduction	64
• Water Resources and their Uses in Egypt	65
• Monitoring Surface and Ground Water Quality	66
• Sources of Pollution on the River Nile and Its Tributaries as Well as the Main Canals	67
• Current Status of Water Quality in Egypt	68
• Canals and Waterways	72
• Public Drains	73
• Ground Water	74
• Lakes	74
• Efforts to Overcome Environmental Problems Relating to Lakes and Fresh Water	75
• Future Plan 2007 – 2012	78
• References	80

## Chapter 6

### Coastal and Marine Zones

- Introduction 81
- Marine and Coastal Zones in the Arab Republic of Egypt 81
- Pressures and Problems Threatening Coastal and Marine Environment 83
- Monitoring Coastal Environment Quality 85
- Marine Fisheries 88
- Risks Menacing Coastal and Marine Environment 90
- Measures Taken for the Protection of the Coastal and Marine Environment 99
- Future Plan 2007 – 2012 102
- References 103

## Section III: Land

---

## Chapter 7

### Land Degradation and Desertification

- Introduction 106
- Current Status of Lands in Egypt 106
- Major Pressures on Land Resources in Egypt 107
- Main Challenges To Land Resources in Egypt 110
- State Efforts in the Area of Fighting Land Degradation 110
- National Program of Action of the Arab Republic of Egypt Designed to Fight Desertification 112
- Future Plan 2007 – 2012 112
- References 114

## Chapter 8

### Green Belts

- Greater Cairo (Cairo-Guiza-Qalyubia) Green Belt 115
- Afforestation by Using Treated Wastewater 117
- Future Plan 2007-2012 121
- References 122

## Chapter 9

### Biodiversity

- Introduction 123
- Strategy for the Conservation of Biodiversity 124
- Current and Future Protected Areas (Reserves) in Egypt 129
- Avian Flu 134
- Future Plan 2007 – 2012 136
- References 138

## Section IV: Urban Environment and Development Activities

---

### Chapter 10

#### Energy

- Introduction 142
- Electric Energy 142
- Environmental Problems in the Electricity Generation Sector 143
- Oil and Gas 146
- Transport Sector 147
- State Efforts Towards Drawing Utmost Benefit from Available Energy Potential and Capabilities 147
- Future Plan 2007 – 2012 149
- References 150

### Chapter 11

#### Management of Solid Wastes

- Introduction 151
- Solid Waste Situation in Egypt 151
- State Efforts to Counter Challenges Posed to Solid Waste Management 155
- Agricultural Waste 165
- Efforts of the Ministry of State for Environmental Affairs in Handling Agricultural Waste During 2005 169
- Future Plan 2007-2012 170
- References 171

## **Chapter 12**

### **Hazardous Substances and Waste Management**

- Introduction 172
- Sources of Generated Hazardous Waste 173
- Current Status of the Health Care Sector 174
- Navigation Movement Across the Suez Canal of Vessels Carrying Hazardous Waste 175
- State Efforts Regarding Hazardous Substance and Waste Management in Egypt 176
- Regional and International Role In The Area Of Hazardous Waste Management 177
- Future Plan 2007 – 2012 178
- References 180

### **Annexes**

- Annex (2-1) Noise Levels 183
- Annex (2-2) Study on Noise Level Measurement 184
- Annex (2-3) Ministry's Plan for Noise-Fighting 188
- Annex (10-1) Recommendations Relevant to Energy and Environment 192
- Annex (12-1) Hazardous Waste Lists 195

**List of Environment-Related Acronyms** 205

**Contributors** 211
